

Enjoy Good Health

RUPTURE—We have a cure for Rupture without resorting to a painful operation. We are the only reputable physicians in this line of work who will take such cases on a guarantee. You may deposit a draft in the First National Bank, or your Bank, instructing them to place same to our account after you have been cured. By doing this you are absolutely certain of a cure. If we were not perfectly sure of our work we could not do business in this way very long. We have adopted this plan because so many have been swindled by quacks and fakers. Not one of them will permit a patient to deposit his money until a cure has been made.

When taking our treatment, patients must come to our office once each week, and if they live nearby can return home and work during the intervals. **WE DO NOT USE THE PARAFFIN WAX TREATMENT, AS IT IS DANGEROUS.**

There is no pain accompanied to our treatment and we will also give you a written guarantee if at any time in your life you should ever be bothered in any way, shape or form whatsoever of Rupture, we will treat you absolutely free of charge. In other words this gives you insurance the balance of your life against Rupture. Our fees are within the reach of every man and they are no more than you are willing and glad to pay for a cure.

EVERY DAY SOMEONE DIES FROM STRANGLED HERNIA OR RUPTURE. Don't run the risk of a surgical operation, for every time a patient takes an anesthetic for a surgical operation, he is taking his life in his own hands.

Again, if you are operated on you are required to be in the hospital for at least two or three weeks and, after leaving, it requires very near a year before you recover from the effects of same and after going through with this severe surgical operation and running the risk of your life, you are not guaranteed a cure.

Under our treatment you are positively guaranteed a cure, and you are not required to pay for same until you are cured, so don't run the risk and delay from being cured. Start today. For all Ruptures were small ones one day and there is more danger of strangulation in a small one than a large one, and the longer you wait you are just postponing your case that much longer and allowing your tissues to break that much farther and you are further from a cure each day you postpone being cured.

We can cure your case without detaining you from your business, without putting you in bed, without any pain, and besides we guarantee our work and we will be through with your case and have you cured in very near the same length of time that you would be required to stay in the hospital if you were operated on.

We Positively Cure

PILES, FISTULA, ULCERS, SKIN DISEASES, KIDNEY AND BLADDER TROUBLES, PRIVATE AND SPECIAL DISEASES.

We will accept any case of Rupture, Piles, Varicocele or Hydrocele and permit you to deposit a draft in the First National Bank, or your Bank, made payable to yourself and instructing them to place same to our account after you have been cured. We are the only reputable physicians in this line of work who will take such cases on a guarantee. By doing this, you are absolutely certain of a cure. You have nothing to lose and everything to gain, and if we were not perfectly sure of our work, we could not do business this way very long, but instead, have been doing so for years. We have adopted this plan because so many have been swindled by quacks and fakers; not one of them will permit a patient to deposit his money until a cure has been effected.

Cures Blood Diseases

We use the newest and latest treatment for Blood Poison and Skin Diseases. Professor Ehrlich's (of Germany) NEOSALVARSAN or "914." Neosalvarsan is absolutely safe and harmless and more effective than "606" and can be administered in the office painlessly and with absolutely no ill effect whatever or detention from business. This treatment is far superior to any other employed in the cure of this dreadful disease. Symptoms begin to disappear in a few hours after the administration of this remedy. If you have or ever had this disease in any stage or form, do not fail to call and get this wonderful treatment and be cured for life.

Young Middle-Aged Old MEN

We want you to call and consult us during this week. You can do this FREE. When with us we will make a thorough and searching examination and after learning all about your case we will describe it plainly and fully to you so you can fully understand just what your trouble is, just what can be done for you, and just what it will cost.

We do not care how long you have suffered, nor who has failed in your case; if you are curable we can show you the means to do it. If you have reached an incurable complicated condition we will say so and advise with you as to the best means to pursue that is left for you to follow and get as much out of life as is in store for you. We cannot do more than this and no honest physician will promise it.

OUR REPUTATION IS AT STAKE—YOU NEED NOT FEAR DECEPTION OR MISREPRESENTATION. OUR STANDING IS WORTH MORE TO US THAN ALL OF YOUR MONEY, LET ALONE A FEW DOLLARS FOR YOUR FEE YOU MIGHT PAY.
